experience

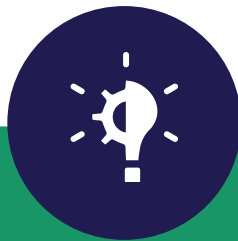

Why Choose Paragon ID

Beyond parking, Paragon ID operates in four major markets: electronic identification, transport and smart cities, traceability, and payment solutions, delivering cutting-edge innovations worldwide.

BESPOKE

Together we design a solution fully tailored to your requirements and production needs.

QUALITY

We are ISO 9001, 14001, 27001, 45001, Cyber Essentials and Ecovadis certified.

EFFICIENCY

We help organisations improve their efficiency and safety, and cut costs.

“ Metric Group have been working with Paragon ID since 2007 and during that time, we’ve found the team to be diligent, professional, and reliable. The solutions and support Paragon ID brings to the table ensures our customers have the most technologically advanced machines on the market. We cannot recommend the company highly enough.
